CST	\$8,505,470	\$8,505,470	
Total	\$8,505,470	\$8,505,470	

Public Benefit

Notes

Additional Benefits

The current section of roadway is in extreme need of resurfacing. This project would benefit the public by enhancing safety by milling, resurfacing, and striping the existing roadway. Resurfacing of this roadway will increase structural integrity, motorist safety, and ride quality.
