

Heart of Georgia Altamaha Citizen's Review Panel

November 29, 2024

Transportation Investment Act of 2010 (TIA)
Annual Report

Honorable Jon Burns
Speaker of the House
State of Georgia

Honorable Burt Jones
Lt. Governor
State of Georgia

This letter serves as a report for the activities of the Citizen's Review Panel (CRP) for the Heart of Georgia Altamaha Region.

The following individuals currently serve on this CRP: Roger Branch of Baxley, Phil Best of Dublin, David Keith of Jesup and Billy Trapnell of Metter. We currently have one vacancy on our CRP. The panel met three times during the year, on April 20th at Premier Properties office in Dublin, August 26th at the Heart of Georgia Altamaha Regional Commission in Baxley and November 18th at the Appling County Courthouse Annex in Baxley. During these meetings, we were presented updates on all active, planned or completed TIA projects.

As of December 1st, 758 TIA 1 projects have been completed in HOGA, the remaining 5 are currently under construction. This has been a challenge since the revenue within our Region has been below projections.

As of December 1st, 61 TIA 2 projects have been completed, 56 projects are under construction and 114 projects are in preconstruction.

The majority of these projects were/are local in nature and did not have a defined benefit. However, the Department of Transportation maintains that these projects were completed to accepted industry standards as intended on the original project submittal applications, and to the satisfaction of the local jurisdictions.

Minutes of the meetings held during this year, as well as reports on the projects completed during this year, are included with this letter. These minutes cover the actions taken by the CRP in reviewing the projects approved in the TIA program.

TIA Administrator Kenneth Franks, his staff, and other GDOT personnel continue to be very helpful to our communities and this panel in accomplishing the duties assigned, and to improve transportation in Region 9. Likewise, Brett Manning, Executive Director of the Heart of Georgia Altamaha Regional Commission, and his staff have been vital to the success of this program.

The CRP feels that these projects meet the benefits that were anticipated by their respective communities.

Sincerely,

Billy Trapnell, Chairman
73 S. Williams Street
Metter, GA 30439

Russell R. McMurtry, P.E., Commissioner

November 18, 2024

Citizens Review Panel (CRP) Members
Mr. Billy Trapnell, Chairman
Heart of Georgia Altamaha (HOGA) Special District

RE: Transportation Investment Act (TIA) of 2010 - TIA 2: 2023 - 2032

Dear Citizens Review Panel Members:

The Georgia Department of Transportation (Georgia DOT) presents the attached annual update through calendar year 2024 for the Transportation Investment Act of 2010 for the Heart of Georgia Altamaha Special District. This particular report will contain information pertaining to projects in the TIA 2: 2023 – 2032 investment list only. The Transportation Investment Act of 2010 legislation requires the submittal of an annual report by the CRP to the legislators by December 15th each year.

There were 59 completed TIA 2 projects in HOGA during calendar year 2024. We have included a detailed summary report, which can be utilized in the determination of benefits by the CRP for completed projects. In total, 61 projects have been completed, 56 projects are in construction and 114 are in preconstruction.

TIA's administrative and engineering professionals and our local government partners spent much of 2024 propelling TIA 2's Band 1 projects through preconstruction and construction phases. Regarding the region's revenues, I am happy to let you know that the HOGA region's TIA 2 collections were robust and to date we are at 35.8% over the original estimate projections. While this is positive news, the TIA staff will continue working in the spirit of 'cautious optimism,' maintaining fiscal planning and project management strategies that will ensure sustained success throughout the entire term.

Please let me know if you need further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "K. Franks", is written over a light blue circular background.

Kenneth Franks
State TIA Administrator

Enclosure: Annual Project Status Report, Annual Report, Completed Projects Report, and CRP Meeting Minutes

cc: Diana Pope, Georgia State Finance and Investment Commission
Brett Manning, Heart of Georgia Altamaha Regional Commission

Completed Project & Benefits Review Report

Heart of Georgia Altamaha

Project: Nails Ferry Road
County: Appling
Project ID: HG-Applin-001
GDOT ID: PI-0018428

Project Description

This project resurfaced 5.5 miles of Nails Ferry Road from the City of Baxley boundary line to Altamaha School Road in Appling County.

Project Benefit

This project has benefited the public by enhancing safety, providing motorists with a smooth, durable travel surface. It will also reduce the county's road maintenance costs, as well as the vehicle maintenance costs of local and commercial drivers.

Schedule Information

NTP Date: 06.02.2023
Completion Date: 04.19.2024

Budget & Cost Information

Original Budget: \$979,303
Projected Final Cost: \$1,115,077

Guests

Kenneth Franks, State TIA Administrator, GDOT
Brent Moseley, TIA Regional Coordinator, GDOT
Eric Wilkinson, Assistant TIA Administrator, GDOT

CALL TO ORDER

The TIA 2 Citizens Review Panel meeting for March 20, 2024, was held virtually. The meeting was called to order at 10:52 A.M. by Phil Best due to Chairman Billy Trapnell's absence.

APPROVAL OF NOVEMBER 20, 2023 MEETING MINUTES

Mr. Best stated that the Minutes for the November 20, 2023 TIA 2 Citizens Review Panel Meeting had been emailed and he would entertain a motion for approval. A motion was made by Roger Branch and seconded by David Earl Keith to approve the Minutes, as emailed. The vote passed unanimously.

BAND CHANGE REQUESTS

Mr. Best called on Brent Mosley, TIA Regional Coordinator, to go over the Band changes.

The City of Jesup is requesting to move HG-Jesup-003 PI # 0018951, Great Southern Way from Band 2 to Band 1. The reason for this change is that in Band 1 there are 3 other roads that will connect to this road. This will be the final infrastructure needed to complete the project.

Mr. Best asked for a motion for this Band change. A motion was made by David Earl Keith and seconded by Roger Branch to approve the City of Jesup's Band change. The vote passed unanimously.

The City of Swainsboro is requesting to move Norwood Avenue - PI# 0018585 resurfacing from East Pine Street to King Circle Drive from Band 3 to Band 1. The cost of this project is \$74,200. The condition of the road has worsened since it was originally put on the list.

Mr. Best asked if anyone had a question. There being no questions a motion was made by David Earl Keith and seconded by Roger Branch to approve the City of Swainsboro's Band change. The vote passed unanimously.

TIA REPORT

Kenneth Franks, State TIA Administrator, went over collections through January 2024. The Heart of Georgia Altamaha Region's total collections is \$51,208,512 million. The 75% approved investment list amount collected is \$38,406,384 million and \$12,802,128 million was collected for the 25% local discretionary.

He then went over the TIA 2 collection forecast through January 2024 which shows the percentage ahead forecast. Currently, the Heart of Georgia Altamaha Region is 32.2% ahead in the collection base. If this trend continues there will be no need for band changes. Kenneth pointed out that they will use the same approach that they used for Southern Georgia in advancing as many projects as possible.

He then talked about the Heart of Georgia Altamaha (HOGA) 2 Project Overview (2023-2032). For the HOGA Region there were a total of 580 projects with a final investment list project total of \$338,673,177 million. This total includes TIA and other State funds. There are currently 60 projects in construction and 12 projects completed with total expenditures of TIA funds as of March 13, 2024 of \$4,998,956. A total of 158 active projects have been done in Band 1.

Brent Mosley, TIA Regional Coordinator, reported on the 37 TIA Projects let to Construction since November. Telfair/McRae-Helena has 3 resurfacing projects on Poplar Street and 5 sidewalk replacement projects on US 341. These projects were let December 2023. The Scruggs Company was the low bidder. The bid amount was \$838,306. Tattnall/Glenngville has 12 resurfacing projects on Hencart Road that let January 2024. The Scruggs Company was the low bidder. The bid amount is \$608,284. Laurens County has a widening project on US 441 which is a regional project and was let February 2024. Reeves Construction Company was the low bidder at \$37.5 million. Montgomery County has 3 projects on Sawmill Road and Martin Luther King, Jr. This is one road, and the county will take the lead. This project was let in February 2024. McLendon was the low bidder. Toombs/Lyons has 8 resurfacing projects on E. Oglethorpe Avenue. including a parking lot. Jeff Davis/Denton has 5 resurfacing projects on E. Georgia Avenue, East Tennessee Avenue, Smith Street, Loop Road, and MLK Street. The Scruggs Company was the low bidder. This is a total of 37 projects with a \$24,793,890 million total TIA budget and a \$41,174,035 bid.

Brent then reported on the TIA 2 Letting Forecast. Jeff Davis/Hazlehurst has 6 resurfacing projects on Latimer Street, Burketts Ferry, South Williams Street, and Hatten Still Road. Montgomery/Alston has a grade, drain, base and pave project on Wilkes Circle. Toombs County US 1/SR 4 Lyons Bypass Phase II is scheduled for an April 2024 letting. Dodge/Eastman has 7 projects with a let date of May 2024. Emanuel/Candler has a resurfacing project on Griffin Ferry Road with a let date of May 2024. Candler County has a grade, drain, base and pave on East Hiawatha Street with a let date of June 2024. Wayne/Odum has 4 resurfacing projects with a June let date. Wayne County and the City of Jesup have 3 projects they are letting as one contract. These projects are widening/ intersection improvements on Sunset Boulevard. New construction on Industrial Park Road and South Macon Street. They are finalizing plans and easements that are needed. This is a total of 24 projects with a \$20,710,892 million TIA budget.

He then reported on the TIA 2 Construction Update. There are currently 60 projects in the construction phase with 24 projects paved and waiting on final striping and final invoice. Toombs County has a new construction on US 1/SR 4 Lyons Bypass, Phase II that they have began grading and drainage work. The City of Claxton has 8 resurfacing projects they are complete and on the closeout list. Montgomery/Mount Vernon has 5 resurfacing projects that have been paved and waiting on final striping. Laurens County has 3 projects with one project already complete. Toombs/Vidalia has 8 resurfacing projects that construction has not begun. Tattnall County has resurfacing projects that have not begun. Tattnall/Glenngville has 12 resurfacing projects that let in January, and they have already completed the paving.

Photos were shown of progress on West McKinnon Street, Mount Vernon; Azalea Drive, Baxley; Hencart Road, Glenngville; and Honeysuckle Road, Laurens County.

OTHER BUSINESS

Mr. Best asked if there was any other business. A question was asked about when the next Citizens Review Panel meeting would be held. Brett Manning replied that the next meeting would be sometime in August.

ADJOURN

Mr. Best asked if there was anything else that needed to be discussed. There being none, a motion was made by Roger Branch and seconded by David Earl Keith to adjourn the TIA 2 Citizens Review Panel Meeting at 11:10 A.M. The vote passed unanimously.

CALL TO ORDER

The TIA 2 Citizens Review Panel meeting for August 26, 2024, was held at the Heart of Georgia Altamaha Regional Commission Baxley office. The meeting was called to order at 11:00 A.M. by Chairman Billy Trapnell.

APPROVAL OF MARCH 20, 2024 MEETING MINUTES

Chairman Trapnell stated that the Minutes for the March 20, 2024 TIA 2 Citizens Review Panel Meeting had been emailed and were also available in the packet to all Members and he would entertain a motion for approval. A motion was made by Roger Branch and seconded by David Earl Keith to approve the Minutes, as emailed. The vote passed unanimously.

BAND CHANGE REQUESTS

Chairman Trapnell called on Brent Mosley, TIA Regional Coordinator, to go over the Band changes.

Johnson County is requesting to move PI # 0018658, Williams-Price Road from Band 3 to Band 1. The reason for this change is that this project connects to another road construction project.

The City of Twin City is requesting to move all of the Twin City projects to Band 1 so that they can be delivered as one large project.

Chairman Trapnell asked if anyone had a question. There being no questions a motion was made by Roger Branch and seconded by David Earl Keith to approve the requested Band changes. The vote passed unanimously.

TIA REPORT

Kenneth Franks, State TIA Administrator, went over collections through June 2024. The Heart of Georgia Altamaha Region's total collections is \$71,826,281 million. The 75% approved investment list amount collected is \$53,689,711 million and \$17,956,570 million was collected for the 25% local discretionary.

He then went over the TIA 2 collection forecast through June 2024 which shows the percentage ahead forecast. Currently, the Heart of Georgia Altamaha Region is 32.2% ahead in the collection base. Kenneth pointed out that they will use the same approach that they used for Southern Georgia in advancing as many projects as possible.

He then talked about the Heart of Georgia Altamaha (HOGA) 2 Project Overview (2023-2032). For the HOGA Region there were a total of 580 projects with a final investment list project total of \$338,673,177 million. This total includes TIA and other State funds. There are currently 74 projects in construction and 32 projects completed with total expenditures of TIA funds as of August 22, 2024 of \$12,649,182.

Brent Mosley, TIA Regional Coordinator, reported on the 35 TIA Projects let to Construction since March. The original budget for those projects was \$23,794,821 and the bid amount was \$25,951,935. Around 75 percent of the projects are using inflation. Brent then went over a few of the projects. The first 2 projects were small dirt road projects which were under budget located in Telfair County and Montgomery County. The City of Odum let 4 projects. Toombs County US 1/SR 4 Lyons Bypass Phase II project was let in April. The bid amount for this project was just over \$33 million with a TIA portion of \$7.25 million. Emanuel County had a shoulder widening on Griffin Ferry Road. The City of Alamo had several resurfacing projects. Jeff Davis County had 4 projects. One of the roads had a solar panel field installed and the contractor destroyed the road. The road had to have more work done to it to repair it than initially planned. The owner of the solar panels paid the remainder. The City of Eastman and the City of Hazlehurst had several resurfacing projects. Candler County had a project on East Hiawatha Street that came in under budget. The City of Cochran had one resurfacing project. Wayne County and the City of Jesup let their regional projects on Sunset Blvd., New Industrial Park Road, and South Macon Street Ext. The original budget was \$7.9 million, and the bid amount total was \$8.8 million. The county and the city are working with the contractor to reduce the cost to get it under the inflated budget.

Brent then reported on the TIA 2 Letting Forecast. There is a total of 28 projects with a \$10,296,312 million TIA budget. The City of Baxley has a resurfacing project on W. Tollison Street that is tied in with a CDBG project with bids due this week. Laurens County has a shoulder widening on Buckeye Road. The City of Jesup has a widening project on Great Southern Way that ties in with the other projects they just let with the Industrial Park. The City of Screven has 3 resurfacing projects. The City of Swainsboro had 19 resurfacing projects. Toombs County has 2 shoulder widening projects on Cedar Crossing/Alston Road and Old Normantown Road. Wheeler County has a resurfacing to be let in December.

A before photo was shown of the resurfacing project in Wheeler County on Springhill Road.

He then reported on the TIA 2 Construction Update. There are currently 74 projects in the construction phase with 21 projects paved and waiting on final striping and final invoice. Toombs County has a new construction on US 1/SR 4 Lyons Bypass, Phase I that they are around 45% complete. Toombs/Vidalia has 8 resurfacing projects that are paved and waiting on final striping. Tattnall County 3 resurfacing projects. Two are complete and they are working on the other project. The City of McRae-Helena has 8 projects. Three resurfacing projects are complete, and 5 sidewalk projects are under construction. Montgomery County has a resurfacing project on Sawmill Road which included the City of Ailey and the City of Higgston projects. The City of Alston has a small dirt road project on Wilkes Circle. The City of Odum has 4 resurfacing projects that were let in April that are now complete just waiting for final invoice.

Photos were shown of progress on Maple Drive, City of Vidalia; Pine Street Sidewalk, City of McRae-Helena; Lyons Bypass over SR 292; Baxter Durrence Road, Tattnall County; Harmony Church Road, Tattnall County (Harmony Church Road's culvert washed out due to Hurricane Debby).

Kenneth pointed out that Tattnall County had received \$1.3 million in discretionary monies. This money is distributed monthly with no oversight from GDOT. This money can be used for anything transportation related. He also stated that on July 1st there was a change in the law concerning the quick response projects.

Chairman Trapnell thanked GDOT for the magnificent job they have done handling all of these projects.

ADJOURN

Chairman asked if there was anything else that needed to be discussed. There being none, a motion was made by Roger Branch and seconded by David Earl Keith to adjourn the TIA 2 Citizens Review Panel Meeting at 11:21 A.M. The vote passed unanimously.

CALL TO ORDER

The TIA 2 Citizens Review Panel meeting for November 18, 2024, was held at the Appling County Courthouse Annex in Baxley, Georgia. The meeting was called to order at 11:03 A.M. by Chairman Billy Trapnell.

A video produced by Penny Brooks was played highlighting projects in the Heart of Georgia Altamaha Region.

APPROVAL OF AUGUST 26, 2024 MEETING MINUTES

Chairman Trapnell stated that the Minutes for the August 26, 2024 TIA 2 Citizens Review Panel Meeting had been emailed and were also available in the packet to all Members and he would entertain a motion for approval. A motion was made by Phil Best and seconded by Roger Branch to approve the Minutes, as emailed. The vote passed unanimously.

BAND CHANGE REQUEST

Chairman Trapnell called on Brent Moseley, TIA Regional Coordinator, to go over the Band change.

The City of Jesup is requesting to move PI#'s 18954 and 18955 Cherry Street and East and West Cherry Street resurfacing projects from Band 3 to Band 1. These streets are in poor condition and need to be repaired soon.

Chairman Trapnell asked if anyone had a question. There being no questions a motion was made by Phil Best and seconded by Roger Branch to approve the requested Band change. The vote passed unanimously.

TIA REPORT

Kenneth Franks, State TIA Administrator, went over collections through September 2024. The Heart of Georgia Altamaha Region's total collections is \$83,868,666 million. This is just a little under two years' worth of collections. The 75% approved investment list amount collected is \$62,901,500 million and \$20,967,167 million was collected for the 25% local discretionary. He pointed out that collections are starting to slow down. He stated that collections are still at a consistent place.

He then went over the TIA 2 collection forecast through September 2024 which shows the percentage ahead forecast. Currently, the Heart of Georgia Altamaha Region is 35.8% ahead in the collection base.

He then talked about the Heart of Georgia Altamaha (HOGA) 2 Project Overview (2023-2032). For the HOGA Region there were a total of 580 projects with a final investment list project total of \$338,673,177 million. There are currently 57 projects in construction and 61 projects completed with total expenditures of TIA funds as of November 14, 2024 of \$16,257,328.

Brent Moseley, TIA Regional Coordinator, reported on the 13 TIA Projects let to Construction since August. The City of Baxley has a resurfacing project on W. Tollison Street that is tied in with a CDBG project which they were able to use to supplement the additional cost. The original budget was \$119,300 and the bid amount was \$199,750. The City of Tarrytown had a resurfacing project on 4th Street. The City of Screven had 3 resurfacing projects on Florie Street, Martha Street, and Brown Street. The bid was higher than the approved amount, so they are going to reduce the asphalt thickness to help with the costs. The City of Jesup has a shoulder widening on Great Southern Way that the bid amount was under the approved budget amount. Johnson County has 2 surface treatment projects on Donovan-Harrison Road and Price Williams Road. The original budget was \$344,212 and the bid amount is \$334,000. The City of Wrightsville has 4 resurfacing projects on E. Trilby Street, Lakeside Drive, Chadwick Drive, and Donovan-Harrison Road. The bid came under budget and was let last week. Laurens County has a shoulder widening on Buckeye Road. The bid results for this project have not been received.

Brent then reported on the TIA 2 Letting Forecast. There is a total of 42 projects with a \$11,099,901 million TIA budget. Wheeler County has a resurfacing project on Springhill Road/Sandpit Road and the City of Alamo has a sidewalk project on E. Railroad Street both with let dates of December 2024. Toombs County has shoulder widenings on Cedar Crossing/Alston Road and Old Normantown Road both with let dates of January 2025. Dodge County has a shoulder widening on Airport Road. This project is GDOT let and will be let in February 2025. The City of Chauncey, City of Milan, and City of Rhine have resurfacing projects which GDOT is trying to let together with Dodge County to get better prices. The City of Vidalia has a new construction on Stockyard Road. This project will be connecting two roads. The City of Swainsboro has 19 resurfacing projects with a let date of February 2025. Wayne County has a shoulder widening on Tank Road with a let date of March 2025.

A before photo was shown of Old Normantown Road in Toombs County. This photo showed that patching work would need to be done before resurfacing.

He then reported on the TIA 2 Construction Updates. There are currently 57 projects in the construction phase. Toombs County has a new construction on US 1/SR 4 Lyons Bypass, they are scheduled to begin paving after the Thanksgiving break. Tattnall County has a resurfacing project on Harmony Church Road. This project had a culvert that was destroyed from the hurricane which has now been repaired. Montgomery County has a resurfacing project on Sawmill Road which they are actively working now leveling and resurfacing. The City of Denton has 5 projects. These projects have been paved and need to be striped to be complete. Emanuel County has a shoulder widening project on Griffin Ferry Road. Jeff Davis County has a resurfacing project on Bell Telephone Road. This project has been leveled and have started on resurfacing. The City of Eastman has a resurfacing project on Mary Alexander Drive. The City of Hazlehurst has a resurfacing project on Latimer Street. This project has been paved and waiting for final striping. Candler County has a GDB&P on East Hiawatha Street. They have begun relocating power lines and the contractor should start in early January.

Photos were shown of progress on Latimer Street in Hazlehurst Georgia; East Tennessee Avenue in Denton, Georgia; Lyons Bypass, North of SR 292; and First Lane, Odum, Georgia.

Kenneth reported that we are currently in year 2 of Band 1. In Band 1 there is a total of 260 projects. Of those projects there are currently 212 active projects. There are currently 48 inactive projects for Band 1 with no issues of getting those projects ready to go. Eighteen projects are currently financially closed.

Kenneth then went over the end of the year package. In the cover letter it was pointed out that we are currently 35.8% over the original estimated projections. While this is great news, collections did go down during September. The next report was the Completed Project and Benefit Report. He stated that this report gives a project description, the original estimated cost, and the final projected cost. He also explained all projects listed have met the stated public benefit as detailed in the TIA 2 Final Investment List. This form is also required by law. The highlighted projects included in the report was resurfacing projects on Nails Ferry Road and Ten Mile Road in Appling County. Laurens County's resurfacing project on Old Hawkinsville Road and a shoulder widening on West Blackshear Ferry Road. This project was managed by Laurens County. Laurens County also had a shoulder widening and resurfacing project on Brewton Lovett Road.

The next form he went over was the Annual Report with TIA funds only. He stated this form is required by law and it must be posted on the Department of Revenue's site before December 15th. He explained that this form has the original estimated cost which is the TIA amounts originally approved and then the current estimated cost which is what the estimates are based on. It also included the prior year and current year costs. He explained that if any corrective action was required that a description was given. He pointed out that \$11.7 million was set aside for program administration and they are currently showing the estimated cost at the full amount. If things keep trending the way they are now, they will not need all of those funds for administrative costs.

He informed the Panel that he would email these reports to them and that these reports are in draft form and if they see anything that needed to be changed to please contact them. He would need any comments by early December so that these can be sent to the legislators before December 15th.

The Panel thanked GDOT for the magnificent job they have done handling all of these projects.

ADJOURN

Chairman asked if there was anything else that needed to be discussed. There being none, a motion was made by Phil Best and seconded by Roger Branch to adjourn the TIA 2 Citizens Review Panel Meeting at 11:50 A.M. The vote passed unanimously.
