CSRA Region: Georgia DOT awards construction contract for Lincoln County bundle of five roadway resurfacing, shoulder rehab projects

ATLANTA, Georgia — The Georgia Department of Transportation (Georgia DOT) has awarded 23 new contracts for construction projects across the state as part of their December 2024 bidding process. Five TIA-funded CSRA projects were bid and contracted as a bundle. The projects are:

- Lincoln County: these projects will resurface and provide shoulder rehabilitation to portions of five roadways throughout the county. They are:
 - * CR 106/Chamberlain Ferry Road from SR 47 to its dead end
 - * Colvin-Kennedy Road from Whiterock Road to Leathersville Road
 - * CR 72/Mercier Road from SR 220 to SR 43
 - * CR 80/Partridge Town Road from SR 47 to Whiterock Road
 - * Double Branches Road from SR 47 to its dead end

The contract was awarded to Reeves Construction Company of Macon for \$4.2 million. The project is expected to be completed at the end of Fall 2025.

For more information on this project and others in the CSRA region, check out: <http://www.ga-tia.com/>.
