December 5, 2023

The Honorable Burt Jones
Office of the Lieutenant Governor
240 State Capitol
Atlanta, GA 30334

Dear Lt. Governor Jones,

As Chairman of the Southern Georgia Region Citizens Review Panel for the Transportation Act, I submit this report in pursuant to O.C.G.A. § 48-8-251.

Enclosed is the update from the Southern Georgia Region Citizens Review Panel consisting of a letter from Mr. Kenneth Franks, State TIA Administrator. Also included is a copy of the Annual Status Report and minutes of the meetings for calendar year 2023; all meetings were held in Nashville, Georgia.

The Transportation Act has been very beneficial to the Southern Georgia Region. We will be able to complete transportation projects for our region that may have never been completed.

We are very excited about revenue collections to date. The Southern Georgia Region has collected \$325,451,119.00 through September of calendar year 2023, that is 30.4% above the baseline projections; a positive sign that the economy in Georgia is doing very well. We have completed 86 projects in the Southern Georgia Region, 24 are currently under construction, and many are in preconstruction.

I would like to thank Mr. Kenneth Franks and his staff, for all of the information and support they have provided the Citizens Review Panel as we undertake our duties and responsibilities that our positions require of us.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Bill Slaughter", with a long horizontal flourish extending to the right.

Bill Slaughter, Chairman
Southern Georgia CRP

November 8, 2023

Citizens Review Panel (CRP) Members
Mr. Bill Slaughter, Chairman
Southern Georgia Special District

RE: Transportation Investment Act (TIA) of 2010

Dear Citizens Review Panel Members:

The Georgia Department of Transportation (Georgia DOT) presents the attached update through calendar year 2023 on the Transportation Investment Act of 2010 for the Southern Georgia Special District.

A summary of projects completed in 2023 is included. This summary can be utilized in the determination of benefits by the CRP for completed projects. As of this letter, 86 TIA projects have been completed in Southern Georgia with 12 completed in 2023. 24 are currently under construction and 39 are in preconstruction.

A calculation of revenue collection estimates versus actual receipts in Southern Georgia from program inception to date shows the total funds received are 30.4% higher than anticipated. TIA collections and construction activity in Southern Georgia have remained steady throughout 2023. Our Georgia DOT team's project management strategies and close coordination with local government partners have allowed us all to successfully continue planning, constructing, and completing TIA projects, and as a result, all TIA projects on the final investment list are still on track to be delivered. Georgia DOT remains committed to empowering the regions of our state in taking an active role in our transportation future.

Please let me know if you need further information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'K. Franks', is written over the word 'Sincerely,'.

Kenneth Franks
State TIA Administrator

Enclosure: Annual Report and CRP Meeting Minutes

* Featured project. See attached sheet for additional details.

Tift County

Summary of Work:

Project ID	GDOT ID	Project Name	Original Estimated Cost	Final Projected Cost	Project Let By
SGRC-145	PI-0016305	Taxiway Improvements at Henry Tift Myers Airport*	\$5,600,000	\$5,600,000	Local Let

* Featured project. See attached sheet for additional details.

Southern Georgia - 2023 Completed Project & Benefit Report, Continued

Turner County

Summary of Work: 4.2 miles of plant mix resurfacing and sidewalk construction on several streets in the City of Ashburn.

Project ID	GDOT ID	Project Name	Original Estimated Cost	Final Projected Cost	Project Let By
SGRC-148	PI-0016308	City of Ashburn Resurfacing Bundle and Sidewalk Improvements	\$1,000,000	\$940,431	Local Let

Ware County

Summary of Work: 1.35 miles of improvements to drainage, city water and sewer on Albany Avenue. Project also included reconstruction of portions of sidewalk, curb and gutter as well as plant mix resurfacing.

Project ID	GDOT ID	Project Name	Original Estimated Cost	Final Projected Cost	Project Let By
SGRC-153	PI-0016312	Albany Avenue Widening and Resurfacing*	\$1,600,000	\$1,843,143	Local Let

* Featured project. See attached sheet for additional details.

Completed Project & Benefits Review Report

Southern Georgia

Project: Youngie Fussell Road/Bridgetown Road Widening and Resurfacing
County: Coffee
Project ID: SGRC-078
GDOT ID: PI-0016241

Project Description

This project included 11 miles of asphalt patching, shoulder widening, leveling and resurfacing on Youngie Fussell Road/Bridgetown Road from SR 32 to the Atkinson County line.

Project Benefit

This project has benefited the public by enhancing safety by providing drivers with a wider driving space with accessible shoulders, as well as a smoother, durable surface. It also reduced the county's road maintenance costs.

Schedule Information

NTP Date: 07.25.22
Completion Date: 08.18.23

Budget / Cost Information

Original Budget: \$850,000
Projected Final Cost: \$1,740,174

Completed Project & Benefits Review Report

Southern Georgia

Project: SR 32 Widening from just West of Troy Carter Road to the Westside Douglas City Limits
County: Coffee
Project ID: SGRC-072
GDOT ID: PI-421345-

Project Description

This project involved the widening and reconstruction of 4.4 miles of SR 32 from two to five lanes including a 14-foot flushed median and 10-foot shoulders with roadside ditches, from the CSX Railroad bridge west of Troy Carter Road to the westside Douglas city limits.

Project Benefit

This project has benefited the public by anticipating traffic growth in the county, particularly commercial trucks. In addition to providing a wider, more efficient corridor that allows for vehicles to safely pass and potentially reduce crash frequency, the project also supported future industrial development by enhancing access to modal facilities.

Schedule Information

NTP Date: 06.23.20
Completion Date: 12.28.23

Budget / Cost Information

Completed Project & Benefits Review Report

Southern Georgia

Project: Val Del Road Resurfacing from US 41 to Lowndes County Line
County: Cook
Project ID: SGRC-095
GDOT ID: PI-0016257

Project Description

This project consisted of 9.2 miles of asphalt patching, leveling and resurfacing on Val Del Road, starting at US 41 and ending at the Lowndes County line.

Project Benefit

This project has benefited the public by enhancing safety by providing motorists with a smooth, durable traveling surface. It also reduced the county's road maintenance costs, as well as the vehicle maintenance costs of local and commercial drivers.

Schedule Information

NTP Date: 07.22.22
Completion Date: 04.14.23

Budget / Cost Information

Southern Georgia

Project: Old US 41 North Widening from SR 7 to Union Road
County: Lowndes
Project ID: SGRC-110
GDOT ID: PI-0016271

Project Description

This project consisted of the widening of 2.8 miles of Old US 41 North to include sections of either three lanes or five lanes from SR 7 to Union Road, northwest of the City of Valdosta.

Project Benefit

This project has benefited the public by anticipating traffic growth in the county, particularly commercial trucks. In addition to providing a wider, more efficient corridor that allows for vehicles to safely pass and potentially reduce crash frequency, the project also supported future industrial development by enhancing access to modal facilities.

Southern Georgia

Project: Taxiway Improvements at Henry Tift Myers Airport
County: Tift
Project ID: SGRC-145
GDOT ID: PI-0016305

Project Description

This project resurfaced the regional airport's existing runway and taxiways and restriped them with durable high-visibility paints.

Project Benefit

This project has benefited the public by making the necessary upgrades to bring Henry Tift Myers Airport into compliance with federal standards.

Schedule Information

NTP Date: 07.01.2021

Southern Georgia

Project: Albany Avenue Widening and Resurfacing
County: Ware
Project ID: SGRC-153
GDOT ID: PI-0016312

Project Description

This project consisted of 1.35 miles of improvements to drainage, city water and sewer on Albany Avenue. It also included reconstruction of portions of sidewalk, curb and gutter as well as plant mix resurfacing.

Project Benefit

This project improved the city's drainage, water and sewer system throughout the project length, benefitting the community with new, upgraded facilities that will reduce city maintenance expenses and extend the life of the overall infrastructure. The resurfacing provides an added benefit of safety to drivers with a smooth, durable roadway.

Minutes
TIA Citizens Review Panel
Berrien County Administrative Building
March 21, 2023
2:00 PM

Members Present	Organization
Bill Slaughter	Lowndes County
Walter Hudson	Irwin County
Robert Griner	Berrien County
Patrick Jones	Pierce County
D.W. Harper	Irwin County
Others Present	
Kenneth Franks	GDOT TIA Office
Erik Wilkinson	GDOT TIA Office
Brent Moseley	GDOT TIA Office
Penny Brooks	GDOT TIA Office
Elizabeth Backe	SGRC
Kimberly Hobbs	SGRC

CRP Item #1 - Call to Order

Mr. Slaughter called the meeting to order at 2:01 pm.

CRP Item #2 - Introductions/Roll Call

Mr. Slaughter asked those present to introduce themselves and state their affiliation with the committee.

CRP Item #3 – Approval of Minutes – March 21, 2023

Mr. Slaughter gave the committee time to review the minutes. Mr. Hudson made a motion to approve the minutes. Mr. Griner made a motion in the second. The vote was unanimous; the motion carried.

CRP Item #4 – Public Comment

Mr. Slaughter opened the floor for public comments. There were no comments.

CRP Item #5 – New Business

A. TIA Timeline, SPLOST/ELOST Dates Discussion

Ms. Backe passed out a spreadsheet for both the SPLOST and ELOST for the 18 counties in the Southern Georgia Region. She explained that these were the upcoming expiration dates for the SPLOST / ELOST so that the committee could have a better idea of what other sales taxes would have an upcoming reimposition referendum around the same time as the TSPLOST referendum. Mr. Slaughter asked if she would also email the spreadsheet to the TIA CRP members. Ms. Backe responded that she would send it out as soon as she was back in the office. A discussion about the project submission process ensued.

CRP Item # 6 – TIA Update

Mr. Franks provided the panel with an update on the status of the TIA program. Mr. Franks stated that the Southern Georgia Region continues to be in a good place with TIA revenue as the monies collected has been above the projected revenue and currently cover the entire cost of projects in the first four years. Mr. Franks continued that based on the most recent projections, the current TIA is still on track to end in FY2026. Mr. Franks also stated that the State Economist predicts a potential drop in collections. Mr. Franks continued that the GDOT TIA office have held back funds to account for inflation. Mr. Moseley presented the status of current projects and upcoming projects that will be let in the next 6 months.

Mr. Franks stated for the upcoming TIA, the State Economist is projecting TIA II revenues to be about \$800 million. Mr. Slaughter stated that during the last TIA process, there was a spreadsheet with population and LARC formula calculations to enable decision making. Ms. Backe stated that the spreadsheet was being created and would be sent out in the next few months as the next Regional Transportation Roundtable meeting will be held on May 17, 2023.

CRP Item # 7 – Privilege of the Floor

There were no comments

CRP Item # 8 – Next Meeting Date, Place, Time

Mr. Slaughter asked the committee what would be a good day and time for the next meeting. The committee agreed that the next meeting will be held on Thursday, July 20, 2022 @ 2:00

p.m. at the Berrien County Courthouse. Mr. Slaughter made a motion to adjourn the meeting. The meeting was adjourned.

Minutes
TIA Citizens Review Panel
Berrien County Administrative Building
July 20, 2023
2:00 PM

Members Present	Organization
Bill Slaughter	Lowndes County
Walter Hudson	Irwin County
Robert Griner	Berrien County
D.W. Harper	Irwin County
Patrick Jones	Pierce County
Others Present	
Kenneth Franks	GDOT TIA Office
Brent Moseley	GDOT TIA Office
Penny Brooks	GDOT TIA Office
Amy Martin	SGRC

CRP Item #1 - Call to Order

Mr. Slaughter called the meeting to order at 2:00 pm.

CRP Item #2 - Introductions/Roll Call

Mr. Slaughter asked those present to introduce themselves and state their affiliation with the committee.

CRP Item #3 – Approval of Minutes – July 20, 2023

Mr. Slaughter gave the committee time to review the minutes. Mr. Harper made a motion to approve the minutes. Mr. Griner made a motion in the second. The vote was unanimous; the motion carried.

CRP Item #4 – Public Comment

Mr. Slaughter opened the floor for public comments. There were no comments.

CRP Item #5 – New Business

A. TIA 2 Update

Ms. Martin explained to the committee that the TIA 2 process was moving along and the submission portal was open and would be closing soon. She continued that once the submission portal closes, all of the projects will be moved over to a spreadsheet for GDOT TIA office staff to review.

B. TIA Update

Mr. Franks provided the panel with an update on the status of the TIA program. Mr. Franks stated that they are almost a year into Band 2 projects and it would not be much longer before we start looking at Band 3 projects. Mr. Moseley gave a brief update on the status of current and upcoming GDOT and Local let TIA projects. He stated that 26 projects are in the construction, 81 projects are complete and 120.8 million has gone to the projects.

CRP Item # 7 – Privilege of the Floor

There were no comments.

CRP Item # 8– Next Meeting Date, Place, Time

Mr. Slaughter asked the committee what would be a good day and time for the next meeting. The committee agreed that the next meeting will be held on Wednesday, November 8th @ 2:00 p.m. at the Berrien County Administrative Building. The meeting was adjourned by acclamation.

Amy,

Per my discussions with Brent Mosley with the GDOT TIA office regarding the timing and need for a change in band year for the Coleman Road Paving project (0016279), Mr. Mosley advised me of the process for change in priority and band year. Mr. Mosley stated that collections were up by greater than 10% over the projected amounts and that there should be ample revenue in band 2 projects for this project.

Therefore, Lowndes County is requesting that TIA Project Number 0016279 known as the Coleman Road Project be moved from Band 3 into Band 2 due to the need regarding increased traffic and safety in this area. The estimated cost for this project is \$2,300,000. Lowndes County anticipates that it will take approximately 18-24 months from approval for the band change until we would be ready to let the project for construction. Therefore, we would anticipate a summer 2024 letting.

We look forward to hearing from you regarding the presentation of our request to the local roundtable at the meeting in November.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Michael Fletcher".

Michael Fletcher, P.E.
Lowndes County Engineer

Amy,

Per my discussions with Brent Mosley with the GDOT TIA office regarding the timing and need for a change in band year for the Kinderlou-Clyattville Road Paving project (0016278), Mr. Mosley advised me of the process for change in priority and band year. Mr. Mosley stated that collections were up by greater than 10% over the projected amounts and that there should be ample revenue in band 2 projects for this project.

Therefore, Lowndes County is requesting that TIA Project Number 0016278 known as the Kinderlou-Clyattville Road Project be moved from Band 3 into Band 2 due to the need regarding increased traffic and safety in this area. The estimated cost for this project is \$3,450,000. Lowndes County anticipates that it will take approximately 18-24 months from approval for the band change until we would be ready to let the project for construction. Therefore, we would anticipate a summer 2024 letting.

We look forward to hearing from you regarding the presentation of our request to the local roundtable at the meeting in November.

Respectfully Submitted,

Michael Fletcher, P.E.
Lowndes County Engineer
